

### **Mike Prince – a tribute**

Mike died on 5 April 2018, aged 83. He and wife Pam have lived in the Horsham area for many decades. His introduction to the Club was through Pam who was doing an OU course and came to one of our open lectures in the mid '80s. He started coming to lectures with her and they regularly attended field trips, social events and lectures for over 30 years. We last saw Mike at the Club's 40th Celebration Lunch. He had been in poor health for about two years with leukaemia and fibrosis of the lungs.

His great love in life was sailing. During his National Service he was with the RAF in what was then Ceylon and it was there that he learned to sail. In his retirement he helped out at Forest School when they took the boys up to the Lake District sailing. He also spent a lot of time sailing at Chichester Harbour.

He was a member of the Probus Club in Horsham and honed his computer skills there. An intelligent man, he found great interest in whatever he did.

He leaves Pam, two daughters and five grandchildren.
